EQUINITI

Navigating the complex world of pensions

Equiniti delivers an unparalleled experience to members of our clients' pension schemes. We are one of the leading providers of outsourced pension administration in the UK.

What makes us unique:

- Specialists: we are pension administration specialists. Our administration solutions encompass smart people, best-in-class processes and intelligent use of technology, made available to members 24/7
- Market leading, award winning technology: our cutting-edge administration platform; Compendia, ensures a seamless and smooth user experience
- Delivery: proven ability to scale. No scheme is too large or complex and we implement quickly and effectively
- Experience: Equiniti has an innovative operating model using centres of excellence to deliver specialisms, technology and services that schemes couldn't otherwise benefit from.
