Corporate governance advisory

We help companies keep abreast of emerging and best market practices in corporate governance and executive compensation. As best practices and regulations evolve, we support you with critical information to stay informed and mitigate potential concerns.

Proxy solicitation services

For over 80 years, D.F. King has offered a full suite of highly-strategic proxy solutions to help deliver favorable vote outcomes and keep your board apprised of the latest trends so that positive momentum stays intact. We provide activist defense and analytic services, contested proxy solicitation and annual and special meeting proxy solicitation services.

Ownership intelligence

Benefit from investor intelligence that builds shareholder relationships and guides future initiatives. Through our ownership intelligence services, we provide the tools to maximize both marketplace experience and partnerships with key investors, including equity and bondholder identification. Gain 360-degree visibility into all issues affecting your business through our corporate financial consulting and customized research and analysis.

Information agent services

Keep your complex transactions on track through powerful shareholder communications. D.F. King delivers timely, accurate communications to all stakeholders, including board-quality reports and analyses of your shareholder base and transactions. Our experts' deep understanding of M&A transactions and extensive institutional relationships with key decision-makers contribute to your success.

About EQ

EQ are specialists in helping you better understand and manage the ownership of your company through critical events across the corporate lifecycle. As trusted advisors, we provide strategic insight and operations expertise through our core business units in Private Company Services, Transfer Agent Services, Employee Plan Solutions, Proxy Services, and Bankruptcy. Globally we serve 6,700 clients (49% of the FTSE 100 UK and 35% of the S&P 500), with over 40 million shareholders, through 6,500 employees in 5 markets around the world.
